I'm not seeing that I have a scanned copy of the invoice, but I'm also not seeing an email from you with the invoice attached. Do you still have that in your sent messages that you can forward to me?

I'm also checking with our Accounting folks just to make sure I didn't just forget to scan and save a copy.

Hi Emily,

We received the payment for April but we never received the payment for March which \$18,599.42 was invoiced on 3.7.17, Invoice #MR-03-17. Can you look at your records and find out what happened?

Thanks!
